SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Flowertown Elementary School, "Family Equals Success." Our family of "Busy Bees" includes 996 students from 3-year olds through 5th graders, 116 faculty and staff members, 17 active business partners, and hundreds of supportive families. Flowertown's dedicated focus on academic excellence was recognized for meeting AYP for the sixth consecutive year and for "Closing the Achievement Gap."

Our school family has truly lived our motto this year of "Family Equals Success" by involving parents in a multitude of learning activities throughout the year. Our school has a strong PTA and SIC, which work in unison with the school to sponsor these events. Our annual Cowboy Campout, which has quickly become a Flowertown favorite, hosts over 600 people at an evening filled with families, great chili, and fun-filled standards-based games for children of all ages. Flowertown staff takes learning "on the road" by providing Neighborhood Celebrations throughout the year. These Celebrations, hosted in family neighborhood yards, provide a venue for delivering informational topics relevant to parents' needs and interests in working with their children at home. The Flowertown family also sponsors technology nights, "Hats off to our Favorite Authors" day at school, and workshops for parents of preschool children.

While parents have many opportunities to become involved, Flowertown also provides students opportunities to stay as busy as bees. Students are involved in the arts by showcasing their masterpieces at Fine Arts Night, and by participating in after-school enrichment musical and instrumental groups. Rising kindergarten students participate in a special "Kickoff to Kindergarten" event which is treasured by both parents and children. Students in the upper grades compete in several academic competitions during the year, including Quiz Bowl, Math is Cool, and a Spelling Bee. Students practice the life skill of altruism as they raise money for the annual Cancer Relay for Life walk, participate in Jump Rope for Heart, collect food for the hungry, and buy treats for the local animal shelter. Many students learn how to become a part of a larger community as they participate in our Storybook Character Parade, build a float for the Flowertown community parade, serve on the Student Council and the Recycling Team, Safety Patrol, and become official crew members of the WBEE news show.

As we strive to reach our goal of having all students proficient on PASS, our staff will continue to research and implement best instructional practices to meet the needs of each student. Our challenges include continuing to meet Adequate Yearly Progress and demonstrating continuous improvement on our state report card. To meet these challenges, we utilize intensive intervention models such as READ 180, targeted mathematics assistance, strategic support in literacy, and after-school tutoring. We employ learning specialists such as Instructional Technology Specialists, a Title I Facilitator, and a Response to Interventionist who all continually monitor the academic progress of each student at Flowertown Elementary. During 2009-2010, Flowertown will continue to work toward fostering strong partnerships with parents and maintaining a collaborative, positive, and supportive school climate for all who enter the hive.
